

# Payroll Made Simple.

## OUR SERVICES

PayTrak offers self-serve, managed, and full-service payroll solutions, accommodating diverse needs. Choose your level of involvement while ensuring accuracy and compliance. Customize set-up and offer your employees online access to pay details.

Benefits - We don't simply refer our clients to a broker, we bring you onto our plan giving you the benefit of volume, allowing us to keep your costs down. We also take care of all of the deductions and payments through our payroll process.

Pension - Group RRSPs make it easy and affordable to save for retirement. Whether you're an employee who wants to make sure you can retire on your own terms or an employer looking for an affordable option for employees, we're here to help.

## WHY CHOOSE US?

*Because we care about making your life easier. We understand the importance of payroll from employee relations to compliance and remittance, and just about everything in between. Payroll should be easy and we're here to make that happen for you.*

## OUR STORY

We are a full-service national payroll company with a unique customer driven focus. Born from the growing demand for payroll accuracy and compliance among a host of Canadian businesses, PayTrak has operated since 2001 and continues to serve new and long term clients from coast to coast.

## OUR VISION

We believe in payroll without all the noise. With our unwavering commitment to accuracy, efficiency, and compliance, we deliver seamless payroll solutions that free you from administrative burdens and allow you to focus on what truly matters - growing your business.

## OUR MISSION

Our only mission is to help. We don't perform a multitude of HR functions - we simply do one thing, really well. And that's payroll. We specialize in accurate, secure payroll without the clutter of unnecessary add-ons. Say goodbye to complex integrations and convoluted features, and hello to straightforward payroll management.

## WHAT UNCOMPLICATED PAYROLL IS MADE OF.

*Turn your payroll into a managed solution, not a headache.*

*Bank level security meets a user friendly interface and dedicated team. We do it all for you - data entry, government remittances, calculations, reporting, deposits and reconciliations. Submit your information and let us take care of the rest.*

### PAYTRAK PRESTIGE

*With PayTrak Prestige we provide expert guidance to ensure adherence of HR policy which includes maintaining vacation accrual, sick and personal leave banks, employee contract maintenance, benefit and pension administration in addition to ESA legislative support. One of the countless benefits of choosing Prestige is that we guarantee your payroll processing is 100% accurate and compliant.*

### PAYTRAK PREMIER

*Premier is perfect for business executives on the go. PayTrak will provide reminders, accept all payroll changes and entries in a pre-defined format and take it from there, providing assistance with payroll management every step of the way. PayTrak will also audit the data submission, guarantee reconciliation and provide review by a certified payroll professional to ensure tax compliance in line with legislative regulations.*

### PAYTRAK PAYWIZ

*PayWiz is an easy to use cloud-based data submission portal ready to manage your business payroll needs. This self-service portal offers simplified employee maintenance and payroll entry, a customizable suite of reports, online employee paystubs and T4's, as well as flexibility to pay employees by cheque or direct deposit. Submit the payroll digitally anywhere, at any time using PayTrak's online 24/7 secure portal.*

*"We're not just a payroll company; we're a partner. Our mission is to revolutionize payroll with simplicity and unwavering integrity. We stand by our values of transparency, reliability, and client-centricity, ensuring that every business we serve has full confidence in their payroll process."*
